Places: In bed -

Friends called to enquire for me -
 Not being able to write Mr Deary, wrote on Jan
 2nd On Apr 3 I copy from book sent me by
 Mrs Margaret White these words

- Mistakes of Life -
- 1 To set up our own standard of right and judge people accordingly.
 - 2 To measure the enjoyment of others by our own
 - 3 To expect uniformity of opinion in this world.
 - 4 To look for judgment & experience in youth.
 - 5 To endeavor to mould all dispositions alike.
 - 6 To look for perfection in our own actions. (Promised)
 - 7 To envy ourselves & others by what can not be (tenet)
 - 8 Not to dwell in immaterial matters.
 - 9 Not to alterate all that needs alienating as far as lies in our power.
 - 10 Not to make allowance for the infirmities of others.
 - 11 To consider everything impossible that we can not do.
 - 12 To believe only what our finite minds can grasp.
 - 13 To expect to be able to understand everything.
 - 14 The greatest of all is to live for time alone when any moment may launch us into eternity.
